REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The instant invention claims a particle having a specific composition and structure and a method to obtain such particle.

The closest prior art that references that relate to the claimed invention are USP Nos 6632527, 6406789 and 6582819. The prior art teaches that it is known in the art to coat particles. However, the prior art does not teach or fairly suggest the specifically claimed invention having amount of thermoplastic that support the suppression of dust.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to leszek b. kiliman whose telephone number is 571-272-1509. The examiner can normally be reached on M-T, 6.30-5.00.

The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
